

Join Us in a Celebration of Gillie's Life

Thursday 28 January 2010

2.45pm at the West Chapel Golders Green Crematorium

5pm to 10pm at Conway Hall

Please arrive at the crematorium by 2.45pm to be seated or in position for 3.00pm. If there are more than 200 of us then there is overspill space in the chapel cloisters which is covered and has a video link but it's outside so come prepared to keep warm. We'd prefer people to wear cheerful colours if possible.

Golders Green Crematorium, Hoop Lane, NW11 is 12 minutes walk from Golders Green Tube station (<http://bit.ly/5NKCV1>). There is limited car parking so we would encourage everyone who can to come by public transport, leaving what space there is for those who need it most. See map on next page.

We will then move to **The Conway Hall** at Red Lion Square, WC1R 4RL (www.conwayhall.org.uk). The Conway Hall is easily accessible from Holborn Tube or Euston (with a little walk). See map on next page. Parking is restricted and is within the congestion charging zone but there are car parks around Russell Square which is a short walk away. It will be possible to drop people off at the main entrance in Red Lion Square.

From 5pm we can have a cup of tea and biscuits in the lobby at Conway Hall and from around 5.30pm move into the main hall to set up our celebration. We have a stage, a piano, and a good floor so if you want to bring any instruments, or poetry, or to dance, or play games do bring whatever you need. Please also bring copies of photos or other reminders of Gillie. We're sharing the building with some other groups, including socialist singers and people meditating etc – so not all rooms are open to us; we can use the lobby, main hall and balcony.

We're providing food and drinks and Gillie type sweets but if you would like to bring a cake or biscuits to share then please do. We intend to cater for everyone (celiacs, vegans, vegetarians, carnivores) but if this doesn't work for you do let us know.

Family flowers only please with donations that can be given on the day or we will be setting up a Just-Giving page which we will notify you of. Gillie was also happy for you to donate to a charity of your choice.

Books of condolence will be available at Conway Hall. If you're not able to attend but would like your condolences and thoughts to be recorded please send them c/o Jan King, 68 Canberra Road, London, SE7 8PE or j@janking.biz.

If you need any other information please contact either Jan (mobile: 07931 370025) or Rob (07834 484090).

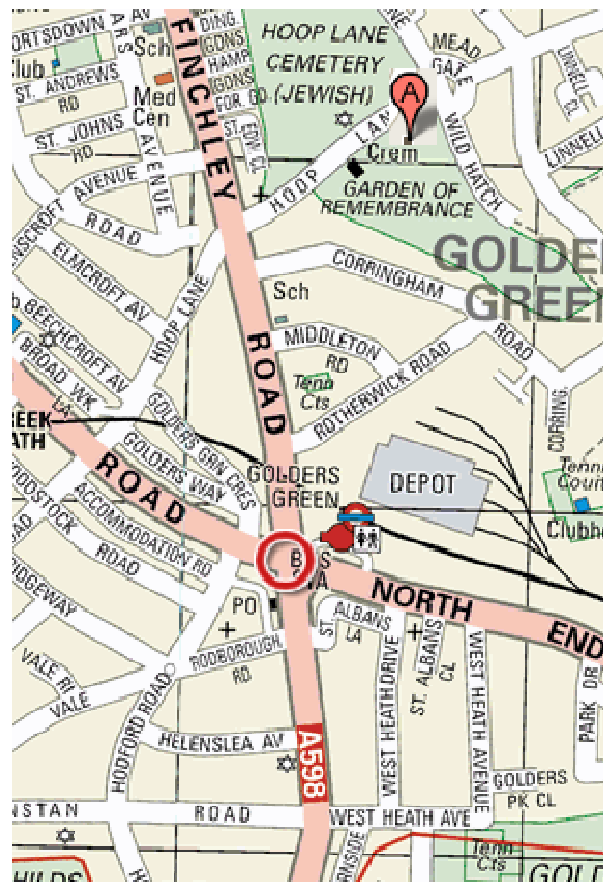

We hope to see you on Thursday,

Kath and Margie
